

THE NEWMAN CAMPUS MINISTRIES FUND

Our goal in Illinois is for each of our 73,000+ members to contribute \$5.00; however, donations are not restricted to members only. Councils are encouraged to sponsor programs such as Newman Walk-a-Thons, spaghetti dinners, pancake breakfasts, and other fund raisers so that our children, grandchildren, nephews, and nieces will be able to attend Newman Centers and programs that foster our faith. The Century Donor Program recognizes those individuals that have offered significant contributions of \$100, \$500, \$1,000 or more. To participate in the Century Donor Program, individuals need not make a single donation of \$100 but can receive this award if their contributions total \$100 or more throughout the fraternal year by making two (2) \$50 donations or four (4) \$25 donations.

Your donation of \$5, \$10, \$25, \$50, and our Century Donations of \$100 will continue to support the: "Home Parish on Campus" for our students. Please note: Century Donors receive a new plaque, year plate, and a lapel pin on the 1st, 11th, and 21st years. On the other years, Century Donors receive a year plate and a lapel pin.

May God continue to bless you and your families with health and happiness. Let us continue to do the work of our Order, all for the betterment of our Church, our Families, our Communities, and God's greater glory.

Consider making a personal donation to the Newman program to help make this program a success for our college students.

SUCCESS!!
