

Fall Blitz Dates Are Due Do You Have a Blitz Chairmen Yet?

In August All District Deputy's Grand Knights and Diocesan Membership Chairmen were sent the Blitz Chairmen Form, a list of suggested pamphlets to order and a letter asking each of them to obtain Council Blitz Dates for the Fall and Spring of the year.

To date there are Grand Knights and District Deputies who have scheduled Blitz dates and others who have failed to turn those dates into the State Office or State Membership Director.

If a Church Drive is not possible for some reason then each of us has to think out side the box and plan a different type of Fall Blitz Often we do not plan to fail we fail to plan so consider one of the following

- ✚ The Invitation Program works great if done correctly.
- ✚ Open Houses are great tools
- ✚ The Welcome back Brother Program is also a great tool.
- ✚ If you have not ordered your Pamphlets now is the time to get that done.
- ✚ Have you planned at least two First Degrees yet? If not then plan those dates now.
- ✚ Are your Blitz dates recorded with the State? Does not matter what type of Blitz you have planned plan it and then work your plan.
- ✚ Do you need help???? If your answer is yes contact your Chapter President, your Diocesan Membership Chairmen, the State Membership Director or the State Deputy all of these men are ready and willing to help you or your council team.

Do Not fail to Plan and your Fall Blitz will be a tool that will make your Council better and Stronger as new Men can mean new ideas and yet more men.

Be Part Of Team 3000 recruit at least 10 new members this year and have your Council be at least Plus Two and you will make the Team.
